Only holders of record of our common stock on July 7, 2022 (the "Record Date") will be entitled to notice of and to vote at this Annual Meeting, and any postponements or adjournments thereof.

The accompanying Proxy Statement is being furnished to our stockholders for informational purposes only, pursuant to Section 14(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations prescribed thereunder. The Board will be soliciting your proxy in connection with the matters discussed above. Stockholders who wish to vote on the proposals accordingly must either attend the Annual Meeting and vote during the Annual Meeting or otherwise designate a proxy to attend the Annual Meeting and vote on their behalf.

We are using the "Notice and Access" method of providing proxy materials to stockholders via the internet. We are mailing all stockholders a Notice of Internet Availability of Proxy Materials instead of a paper copy of the proxy materials. Notice and Access provides a convenient way for stockholders to access the Company's proxy materials and vote shares on the internet, and also allows us to reduce costs and conserve resources. The Notice of Internet Availability includes instructions on how to access our proxy materials and how to vote your shares. The Notice of Internet Availability also contains instructions on how to receive a paper copy of the proxy materials if you prefer.

The Company's Proxy Statement, Annual Report on Form 10-K, Quarterly Report on Form 10-Q, and the other Annual Meeting materials are available on the internet at: <https://www.cstproxy.com/gauchogroupholdings/2022>.

Whether or not you expect to attend the Annual Meeting, please vote your shares in advance online to ensure that your vote will be represented at the Annual Meeting. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote at the Annual Meeting, you must obtain a proxy issued in your name from that record holder.

Sincerely,

/s/ Scott L. Mathis

July 21, 2022

We are furnishing this Proxy Statement to stockholders of GAUCHO GROUP HOLDINGS, INC. ("we" or "GGH" or the "Company") in connection with the 2022 Annual Meeting of Stockholders (the "Annual Meeting") and at any adjournments or postponements thereof. We will hold the Annual Meeting virtually on August 30, 2022 at 12:00 p.m. Eastern Time, webcast at <https://www.cstproxy.com/gauchogroupholdings/2022>.

The Annual Meeting is being held for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2021, including financial statements ("Annual Report"), was filed with the Securities and Exchange Commission (the "SEC") on April 14, 2022, and Amendment No. 1 to the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2021, including financial statements ("Amended Annual Report"), was filed with the Securities and Exchange Commission (the "SEC") on May 19, 2022. Voting Securities and Quorum Required.

Holders of record of our common stock at the close of business on July 7, 2022 (the "Record Date") will be entitled to vote on all matters. On the Record Date, we had 17,256,335 shares of common stock issued and 17,252,966 outstanding. Each share of common stock is entitled to one vote per share. Common stock represents our only class of voting securities outstanding.

Cumulative voting shall not be allowed in the election of directors or any of the proposals being submitted to the stockholders at the Annual Meeting.

For the transaction of business at the Annual Meeting a quorum must be present. A quorum consists of not less than one-third of the shares entitled to vote at the Annual Meeting. In the event there are not sufficient votes for a quorum or to approve any proposals at the time of the Annual Meeting, the Annual Meeting may be adjourned to a

future time and date.

Revocability of Proxies

You can revoke your proxy at any time before it is exercised by timely delivery of a properly executed, later-dated proxy, by delivering a written revocation of your proxy to our Secretary, or by voting at the Annual Meeting via the internet. The method by which you vote by proxy will in no way limit your right to vote at the Annual Meeting if you decide to attend the meeting virtually. If your shares are held in the name of a bank or brokerage firm, you must obtain a proxy, executed in your favor, from the bank or broker, to be able to vote at the Annual Meeting.

4

No Dissenters Rights

The proposed corporate actions on which the stockholders are being asked to vote are not corporate actions for which stockholders of a Delaware corporation have the right to dissent under the Delaware General Corporation Law (the “DGCL”).

Proposals by Security Holders

No stockholder has requested that we include any additional proposals in this Proxy Statement or otherwise requested that any proposals be submitted to the stockholders at the Annual Meeting.

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Q. Why am I receiving these materials?

A. We have sent you these proxy materials because the Board of Directors (the “Board”) of Gauchogroup Holdings, Inc. (sometimes referred to as the “Company” or “GGH”) is soliciting your proxy to vote at the 2022 Annual Meeting of Stockholders (the “Annual Meeting”), including at any adjournments or postponements of the Annual Meeting. You are invited to attend the Annual Meeting to vote on the proposals described in this Proxy Statement. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may cast your vote by proxy over the internet by following the instructions provided in the Notice of Internet Availability, or, if you have requested to receive printed proxy materials, you can also vote by mail pursuant to the instructions provided on the proxy card.

In accordance with SEC rules, we may furnish proxy materials, including this Proxy Statement and our Annual Report, to our stockholders by providing access to such documents on the internet instead of mailing printed copies. Stockholders will not receive printed materials unless they request them. Instead, a Notice of Internet Availability is mailed that instructs stockholders as to how they may access and review all of the proxy materials on the internet. We intend to commence the mailing of the Notice of Internet Availability on or about July 21, 2022 to all stockholders of record entitled to vote at the Annual Meeting.

Q. How do I attend the Annual Meeting?

A. The Annual Meeting will be held virtually and in person on August 30, 2022 at 12:00 p.m. Eastern Time, webcast at <https://www.cstproxy.com/gauchogroupholdings/2022>. You will receive a link to the webcast and telephone call in instructions.

Q. Who can vote at the Annual Meeting?

A. Only stockholders of record at the close of business on July 7, 2022 will be entitled to vote at the Annual Meeting. On this Record Date, there were 17,252,966 shares of common stock outstanding and entitled to vote.

5

Q. What am I voting on?

A. There are six (6) matters scheduled for a vote:

- To elect two (2) Class I nominees to the board of directors named in this Proxy Statement to hold office for a three-year term.
- To grant the Board of Directors discretion (if necessary to prevent the delisting of the Company’s common stock on Nasdaq) on or before June 30, 2023, to implement a reverse stock split of the outstanding shares of common stock in a range from one-for-two (1:2) up to one-for-twenty (1:20), or anywhere between (the “Reverse Stock Split”), while maintaining the number of authorized shares of common stock required for Nasdaq listing.
- To approve an amendment to the Company’s 2018 Equity Incentive Plan to increase the number of shares available for awards under the plan to 25% of our common stock outstanding on a fully diluted basis as of the date of stockholder approval.
- To approve for purposes of complying with Nasdaq Listing Rule 5635(d), the issuance of shares of a maximum of 15,000,000 of the Company’s common stock upon the conversion of convertible promissory notes issued in a private placement (the “PP Notes”), without giving effect to Nasdaq’s 20% rule.
- To approve for purposes of complying with Nasdaq Listing Rule 5635(d), the issuance of up to an additional 10,000,000 shares of our common stock pursuant to that certain Securities Purchase Agreement, dated November 3, 2021 (the “Purchase Agreement”), those certain senior secured convertible promissory notes dated November 9, 2021 (the “Notes”), and that certain Registration Rights Agreement, dated November 9, 2021 (the “Registration Rights Agreement”) by and between the Company and certain institutional investors.
- To ratify and approve the appointment of Marcum LLP as the Company’s independent registered accounting firm for the year ended December 31, 2022.

Q. What if another matter is properly brought before the Annual Meeting?

A. At this time, the Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

6

Q. How do I vote and what is the vote required for each proposal?

A. As to the election of the Class I director nominees under Proposal No. 1, you may vote “For” the election of the nominees proposed by the Board, or “Withhold” for the nominees being proposed. The directors will be elected by a plurality of votes cast at the Annual Meeting.

With respect to Proposal No. 2 (granting the Board the authority to implement a reverse stock split) you may vote “For” or “Against” or “Abstain” for such proposal. Proposal No. 2 will be approved if a majority of common stock outstanding and present at the Annual Meeting is voted in favor of such proposal.

With respect to Proposal No. 3 (amendment to 2018 Plan), you may vote “For” or “Against” or “Abstain” for such proposal. Proposal No. 3 will be approved if a majority of the common stock outstanding and present at the Annual Meeting is voted in favor of such proposal.

With respect to Proposal No. 4 (issuance of shares in excess of the 20% Nasdaq rule upon conversion of the PP Notes), you may vote “For” or “Against” or “Abstain” for such proposal. Proposal No. 4 will be approved if a majority of the common stock outstanding and present at the Annual Meeting is voted in favor of such proposal.

With respect to Proposal No. 5 (issuance of shares in excess of the 19.99% exchange cap pursuant to the Purchase Agreement), you may vote “For” or “Against” or “Abstain” for such proposal. Proposal No. 5 will be approved if a majority of the common stock outstanding and present at the Annual Meeting is voted in favor of such proposal.

With respect to Proposal No. 6 (ratification and approval of the appointment of Marcum LLP as the Company’s independent auditors), you may vote “For” or “Against” or “Abstain” for such proposal. Proposal No. 6 will be approved if a majority of common stock outstanding and present at the Annual Meeting are voted in favor of such proposal.

Q. What are the effects of abstentions and broker non-votes?

An abstention represents a stockholder’s affirmative choice to decline to vote on a proposal. If a stockholder indicates on its proxy card that it wishes to abstain from voting its shares, or if a broker, bank or other nominee holding its customers’ shares of record causes abstentions to be recorded for shares, these shares will be considered present and entitled to vote at the Annual Meeting. As a result, abstentions will be counted for purposes of determining the presence or absence of a quorum and will also count as votes against a proposal in cases where approval of the proposal requires the affirmative vote of a majority of the shares present and entitled to vote at the Annual Meeting.

A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker, bank or other nominee does not have discretionary voting power with respect to such proposal and has not received voting instructions from the beneficial owner of the shares. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting but will not be counted for purposes of determining the number of votes cast. Therefore, a broker non-vote will make a quorum more readily attainable but will not otherwise affect the outcome of the vote on any proposal.

7

The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If on July 7, 2022 your shares were registered directly in your name with GGH’s transfer agent, Continental Stock Transfer & Trust Company, Inc., then you are a stockholder of record. As a stockholder of record, you may vote in person or online at the Annual Meeting or vote by proxy by visiting <https://www.cstproxy.com/gauchogroupholdings/2022> and following the instructions provided on the Notice of Internet Availability. Whether or not you plan to attend the Annual Meeting, we urge you to fill out your proxy via the internet to cast your votes or vote via telephone.

If you have requested to receive printed copies of the proxy materials by mail, you may vote using the proxy card enclosed with the proxy materials and returning it by mail. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote online or in person even if you have already voted by proxy.

- To vote in person, attend the Annual Meeting and you will be afforded an opportunity to vote via the internet.
- To vote online or via telephone, follow the instructions on the Notice of Internet Availability mailed to you.
- If you have requested to receive your proxy materials by mail, you have the option to vote using the proxy card included in the mailing. To do so, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If we receive your signed proxy card before the Annual Meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If on July 7, 2022 your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. Simply complete the steps included in the voting instruction form to ensure that your vote is counted.

You are also invited to attend the Annual Meeting. To vote at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials or contact your broker or bank to request a proxy form.

8

Q. How many votes do I have?

A. On each matter to be voted upon, you have one vote for each share of common stock you own as of July 7, 2022.

Q. What happens if I do not vote?

Stockholders of Record: Shares Registered in Your Name

A. If you are a stockholder of record and do not vote by proxy by accessing <https://www.cstproxy.com/gauchogroupholdings/2022>, by telephone, or online at the Annual Meeting, or, if you’ve received or requested to receive the proxy materials by mail, and do not complete and return your proxy card by mail, your shares will not be voted.

Beneficial Owners: Shares Registered in the Name of Broker or Bank

A. If you are a beneficial owner and do not instruct your broker, bank, or other agent how to vote your shares, the question of whether your broker or nominee will still be able to vote your shares depends on whether the particular proposal is considered to be a routine matter under applicable rules. **Brokers and nominees can use their discretion to vote “uninstructed” shares with respect to matters that are considered to be “routine” under applicable rules but not with respect to “non-routine” matters.** Under

applicable rules and interpretations, “non-routine” matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, elections of directors (even if not contested), executive compensation (including any advisory stockholder votes on executive compensation and on the frequency of stockholder votes on executive compensation), and certain corporate governance proposals, even if management-supported. **Unless you provide voting instructions to your broker, your broker or nominee may NOT vote your shares on the election of directors (Proposal 1), the approval of a reverse stock split (Proposal 2), the approval of an amendment to the Company’s 2018 Equity Incentive Plan to allow for additional shares available for awards (Proposal 3), the approval of the issuance of up to 15,000,000 shares of the Company’s common stock pursuant to the PP Notes (Proposal 4), or the approval of the additional issuance of up to 10,000,000 shares of the Company’s common stock pursuant to the Purchase Agreement (Proposal 5), but may vote your shares on the ratification and approval of the appointment of Marcum LLP as the Company’s independent registered accounting firm (Proposal 6) even in the absence of your instruction.**

Q. What if I return a proxy card or otherwise vote but do not make specific choices?

A. If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, as applicable, “**For**” the election of the nominees for director named in this Proxy Statement, “**For**” the approval of a reverse stock split, “**For**” the approval of an amendment to the Company’s 2018 Equity Incentive Plan to allow for additional shares available for awards, “**For**” the approval of the issuance of up to 15,000,000 shares of the Company’s common stock pursuant to the PP Notes, “**For**” the approval of the additional issuance of up to 10,000,000 shares of the Company’s common stock pursuant to the Purchase Agreement, and “**For**” the ratification and approval of the appointment of Marcum LLP as the Company’s independent registered accounting firm. If any other matter is properly presented at the Annual Meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Q. Who is paying for this proxy solicitation?

A. The Company will pay for the entire cost of soliciting proxies. In addition to these proxy materials, the Company’s directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. The Company may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

9

Q. What does it mean if I receive more than one set of proxy materials?

A. If you receive more than one set of proxy materials, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on each Notice of Internet Availability (or each proxy card in the proxy materials if you have requested printed proxy materials) to ensure that all of your shares are voted.

Q. Can I change my vote after submitting my proxy?

All Stockholders of Record: Shares Registered in Your Name

A. Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

1. If you have requested your proxy materials be mailed to you, you may submit another properly completed proxy card with a later date;
2. You may send a timely written notice that you are revoking your proxy to the Company’s legal counsel, Burns Figa & Will PC, Attn: Victoria Bantz, 6400 S. Fiddlers Green Circle, Suite 1000, Greenwood Village, CO 80111;
3. You may change your vote using the online voting method, in which case your latest internet proxy submitted prior to the Annual Meeting will be counted; or
4. You may attend the Annual Meeting and vote online. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

Your most current proxy card is the one that is counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

A. If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

Q. When are stockholder proposals and director nominations due for next year’s Annual Meeting?

A. We anticipate that our 2023 Annual Meeting will be held in August 2023. To be considered for inclusion in next year’s proxy materials, your proposal must be submitted in writing to the attention of the Secretary of Gaucho Group Holdings, Inc. c/o Burns Figa & Will PC, Attn: Victoria Bantz, 6400 S. Fiddlers Green Circle, Suite 1000, Greenwood Village, CO 80111. If you wish to submit a proposal at the Annual Meeting that is to be included in next year’s proxy materials, you must do so in accordance with the Company’s amended and restated bylaws (the “Bylaws”), which contain additional requirements about advance notice of stockholder proposals and director nominations. In addition, you must comply with all applicable requirements of Rule 14a-8 promulgated under the Securities Exchange Act of 1934. *To comply with the universal proxy rules (once effective), stockholders who intend to solicit proxies in support of director nominees other than the Company’s nominees must provide notice that sets forth the information required by Rule 14a-19 under the Securities Exchange Act of 1934 no later than July 1, 2023.*

Q. What are “broker non-votes”?

A. As discussed above, when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed by the Nasdaq Capital Market (“Nasdaq”) to be “non-routine,” the broker or nominee cannot vote the shares. These unvoted shares are counted as “broker non-votes.”

Q. What is the quorum requirement?

A. A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least one-third of the outstanding common shares entitled to vote are present at the Annual Meeting via the internet or represented by proxy. On the Record Date, there were 17,252,966 common shares outstanding. Thus, the holders of 5,750,989 shares of common stock must be present in person or represented by proxy at the Annual Meeting to have a quorum.

10

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote via internet at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the chairman of the Annual Meeting or the holders of a majority of shares present at the Annual Meeting or represented by proxy may adjourn the Annual Meeting to another date.

Q. How can I find out the results of the voting at the Annual Meeting?

A. Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

Q. What proxy materials are available on the internet?

A. The Proxy Statement, the Amended Annual Report, and the Quarterly Report are available at: <https://www.cstproxy.com/gauchogroupholdings/2022>.

Forward Looking Statements

This Proxy Statement may contain certain “forward-looking” statements, as defined in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), in connection with the Private Securities Litigation Reform Act of 1995 that involve risks and uncertainties, as well as assumptions that, if they never materialize or prove incorrect, could cause our results to differ materially and adversely from those expressed or implied by such forward-looking statements.

Such forward-looking statements include statements about our expectations, beliefs or intentions regarding actions contemplated by this Proxy Statement, our potential business, financial condition, results of operations, strategies or prospects. You can identify forward-looking statements by the fact that these statements do not relate strictly to historical or current matters. Rather, forward-looking statements relate to anticipated or expected events, activities, trends or results as of the date they are made and are often identified by the use of words such as “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “intend,” “may,” or “will,” and similar expressions or variations. Because forward-looking statements relate to matters that have not yet occurred, these statements are inherently subject to risks and uncertainties that could cause our actual results to differ materially from any future results expressed or implied by the forward-looking statements. Many factors could cause our actual activities or results to differ materially from the activities and results anticipated in forward-looking statements. These factors include those described under the caption “Risk Factors” included in our other filings with the Securities and Exchange Commission (“SEC”), including the disclosures set forth in Item 1A of our Form 10-K/A for the year ended December 31, 2021. Furthermore, such forward-looking statements speak only as of the date of this Proxy Statement. We undertake no obligation to update any forward-looking statements to reflect events or circumstances occurring after the date of such statements.

Employment Agreements

See the Executive Compensation section of this Proxy Statement for a discussion of the employment agreement between the Company and Mr. Mathis and between the Company and Ms. Echevarria.

Delinquent Section 16(a) Reports

Section 16(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), requires the Company’s directors, executive officers and holders of more than 10% of the Company’s common stock to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. To our knowledge, based solely on a review of copies of Forms 3, 4 and 5 and any amendments thereto filed with the Securities and Exchange Commission and stockholder reports from our transfer agent and written representations that no other reports were required, during the fiscal year ended December 31, 2021 our officers, directors and 10% or more stockholders complied with all Section 16(a) filing requirements applicable to them except that: (i) Mr. Mathis filed one Form 4 late representing one transaction not reported on a timely basis; (ii) Ms. Echevarria filed one Form 4 late representing one transaction not reported on a timely basis; (iii) Mr. Allen filed one Form 3 late representing one transaction not reported on a timely basis; (iv) Ms. Rodriguez filed one Form 3 and one Form 4 late representing two transactions not reported on a timely basis; (v) Mr. Cannon filed one Form 4 late representing one transaction not reported on a timely basis; and (vi) Mr. Dumont filed one Form 4 late representing one transaction not reported on a timely basis.

Director Independence

Based on the review of each director’s background, employment and affiliations, including family relationships, the Board of Directors has determined that five of our seven directors (Peter J.L. Lawrence, Steven A. Moel, Reuben Cannon, Marc Dumont, and Edie Rodriguez) are “independent” under the rules and regulations of the SEC and Section 5605(a)(2) of the Nasdaq Rules. In making this determination, our Board of Directors considered the current and prior relationships that each non-employee director has with the Company and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of the Company’s capital stock. Mr. Mathis was not deemed independent as a result of his service as our Chief Executive Officer, and his significant stock ownership. Mr. Allen was not deemed independent as a result of his 20% ownership interest in, and service as the Managing Member of SLVH LLC (“SLVH”). SLVH is the Managing Member of LVH Holdings LLC (“LVH”) and the Company, through its wholly owned subsidiary Gaucho Ventures I – Las Vegas, LLC (“GVI”) holds a minority membership interest in LVH. For more information, see the section entitled “Compensation Committee” below.

Involvement in Certain Legal Proceedings

During the past ten years, except as provided below, none of the persons serving as executive officers and/or directors of the Company has been the subject matter of any of the following legal proceedings that are required to be disclosed pursuant to Item 401(f) of Regulation S-K including: (a) any bankruptcy petition filed by or against any business of which such person was a general partner or executive officer either at the time of the bankruptcy or within two years prior to that time; (b) any criminal convictions; (c) any order, judgment, or decree permanently or temporarily enjoining, barring, suspending or otherwise limiting his involvement in any type of business, securities or banking activities; (d) any finding by a court, the SEC or the CFTC to have violated a federal or state securities or commodities law, any law or regulation respecting financial institutions or insurance companies, or any law or regulation prohibiting mail or wire fraud; or (e) any sanction or order of any self-regulatory organization or registered entity or equivalent exchange, association or entity. Further, no such legal proceedings are believed to be contemplated by governmental authorities against any director or executive officer.

FINRA Enforcement Action (2004-2015): In May 2007, InvestPrivate (now known as DPEC Capital), Scott Mathis and two other InvestPrivate officers entered into a settlement of a disciplinary action filed in May 2004 by the NASD (now known as the Financial Industry Regulatory Authority, Inc. (“FINRA”)), the regulatory body that had primary jurisdiction over InvestPrivate. As part of the settlement, the NASD expressly withdrew numerous allegations and charges, and also resolved almost all of the remaining charges in the case. Mr. Mathis received a 30-day suspension from acting in a principal capacity for InvestPrivate, and InvestPrivate was suspended for 60 days from accepting new engagements to offer private placements. The settling parties paid fines totaling \$215,000, and InvestPrivate was also required to engage an independent consultant to evaluate InvestPrivate’s practices and procedures relating to private placement offerings, and to make necessary changes in response to the consultant’s recommendations.

20

While the settlement with the NASD resolved most of the issues in the case, a few remaining charges were not resolved, namely, whether Mr. Mathis inadvertently or willfully failed to properly make certain disclosures on his personal NASD Form U-4, specifically, the existence of certain federal tax liens on his Form U4 during the years 1996-2002.

In December 2007, the FINRA Office of Hearing Officers (“OHO”) held that Mr. Mathis negligently failed to make certain disclosures on his Form U4 concerning personal tax liens, and to have willfully failed to make other required U4 disclosures regarding those tax liens. (All of the underlying tax liabilities were paid in 2003 so the liens were released in 2003.) Mr. Mathis received a three-month suspension, and a \$10,000 fine for the lien nondisclosures. With respect to other non-willful late U4 filings relating to two customer complaints, he received an additional 10-day suspension (to run concurrently) plus an additional \$2,500 fine. The suspension was completed on September 4, 2012, and all fines have been paid.

Mr. Mathis has never disputed that he failed to make or timely make these disclosures on his Form U4; he only disputed the willfulness finding. He appealed the decision (principally with respect to the willfulness issue) to the FINRA National Adjudicatory Council (“NAC”). In December 2008, NAC affirmed the OHO decision pertaining to the “willful” issue, and slightly broadened the finding. Thereafter, Mr. Mathis appealed the NAC decision to the Securities and Exchange Commission and thereafter to the U.S. Court of Appeals. In each instance, the decision of the NAC was affirmed.

While under FINRA’s rules the finding that Mr. Mathis was found to have acted willfully subjects him to a “statutory disqualification,” in September 2012, Mathis submitted to FINRA an application on Form MC-400 in which he sought permission to continue to work in the securities industry notwithstanding the fact that he is subject to a statutory disqualification. That application was approved in Mr. Mathis’ favor in April 2015. Mr. Mathis was at all times able to remain as an associated person of a FINRA member in good standing. Subsequently, the Company expanded into other business opportunities and the broker dealer subsidiary (DPEC Capital, Inc.) was no longer necessary to the Company’s operations. Therefore, Mr. Mathis voluntarily ceased all activities at the Company’s broker-dealer subsidiary (DPEC Capital, Inc.), and voluntarily terminated his registration with FINRA in December 2016, when DPEC Capital, Inc. elected to discontinue its operations and filed a Notice of Withdrawal as a Broker or Dealer on Form BDW.

Corporate Governance

In considering its corporate governance requirements and best practices, GGH looks to the Nasdaq Listed Company manual, which is available through the internet at <http://nasdaq.cchwallstreet.com/>.

Board Leadership Structure

The Board does not have an express policy regarding the separation of the roles of Chief Executive Officer and Board Chairman as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. The Board has not designated a lead independent director. Currently, Scott Mathis serves as both the Company’s Chief Executive Officer and Chairman of the Board. As Chief Executive Officer, Mr. Mathis is involved in the day-to-day operations of the Company and also provides strategic guidance on the Company’s operations. The Board believes Mr. Mathis’s experience and knowledge are valuable in the oversight of both the Company’s operations as well as with respect to the overall oversight of the Company at the Board level. The Board believes

Role of the Board and the Audit Committee in Risk Oversight

While management is charged with the day-to-day management of risks that GGH faces, the Board of Directors, and the Audit Committee of the Board, have been responsible for oversight of risk management. The full Board, and the Audit Committee since it was formed, have responsibility for general oversight of risks facing the Company. Specifically, the Audit Committee reviews and assesses the adequacy of GGH's risk management policies and procedures with regard to identification of GGH's principal risks, both financial and non-financial, and review updates on these risks from the Chief Financial Officer and the Chief Executive Officer. The Audit Committee also reviews and assesses the adequacy of the implementation of appropriate systems to mitigate and manage the principal risks.

Review and Approval of Transactions with Related Parties

The Board of Directors adopted a policy to comply with Item 404 of Regulation S-K of the Exchange Act as well as the Nasdaq Rules requiring that disinterested directors approve transactions with related parties which are not market-based transactions.

Generally, the Board of Directors will approve transactions only to the extent the disinterested directors believe that they are in the best interests of GGH and on terms that are fair and reasonable (in the judgment of the disinterested directors) to GGH. Our policy is available on our Company website at <https://ir.gauchoholdings.com/governance-docs>.

Audit Committee

The Board of Directors established the Audit Committee on April 15, 2015 and revised the charter as of March 25, 2021. Effective upon the uplisting of our common stock to Nasdaq on February 16, 2021, our Audit Committee charter complies with Section 3(a)(58)(A) of the Exchange Act and Nasdaq Rule 5605. The Audit Committee was established to oversee the Company's corporate accounting and financial reporting processes and audits of its financial statements. The members of our Audit Committee are Dr. Moel, (chairperson), Messrs. Lawrence, Dumont, and Ms. Rodriguez. The Board of Directors determined that Messrs. Lawrence, Dumont, Dr. Moel, and Ms. Rodriguez are independent under SEC Rule 10A-3(b)(1) and Nasdaq Rule 5605(a)(2). The Board has determined that all current members of the Audit Committee are "financially literate" as interpreted by the Board in its business judgment. No members of the Audit Committee have been qualified as an audit committee financial expert, as defined in the applicable rules of the SEC because the Board believes that the Company's status as a smaller reporting company does not require expertise beyond financial literacy.

The Audit Committee meets periodically with our independent accountants and management to review the scope and results of the annual audit and to review our financial statements and related reporting matters prior to the submission of the financial statements to the Board. In addition, the Audit Committee meets with the independent auditors at least on a quarterly basis to review and discuss the annual audit or quarterly review of our financial statements.

We have established an Audit Committee Charter that deals with the establishment of the Audit Committee and sets out its duties and responsibilities. The Audit Committee is required to review and reassess the adequacy of the Audit Committee Charter on an annual basis. The Audit Committee Charter is available on our Company website at <https://ir.gauchoholdings.com/governance-docs>.

Nominating Committee

On June 15, 2022, the Board of Directors created the Nominating and Corporate Governance Committee (the "Nominating Committee"), which is responsible for identifying and nominating appropriate persons to add to the Board of Directors when necessary. In identifying Board candidates, it is the goal of the Nominating Committee to identify persons whom they believe have appropriate expertise and experience to contribute to the oversight of a company of GGH's nature while also reviewing other appropriate factors. Messrs. Cannon, Lawrence, and Dumont are current members of the Nominating Committee, each of whom are considered independent in compliance with Nasdaq Rules 5065(a) and (e).

We have established a Nominating Committee Charter that deals with the establishment of the Nominating Committee and sets out its duties and responsibilities. The Nominating Committee is required to review and reassess the adequacy of the Nominating Committee Charter on an annual basis. The Nominating Committee Charter is available on our Company website at <https://ir.gauchoholdings.com/governance-docs>.

Compensation Committee

The Board of Directors established the Compensation Committee effective upon the uplisting of our common stock to Nasdaq and amended the Compensation Committee's charter effective March 25, 2021. In reliance on the exemption provided pursuant to Nasdaq Rule 5605(d)(2)(B), the Compensation Committee consists of three independent directors and one non-independent director, all of whom are all non-employee directors for purposes of Rule 16b-3 of the Exchange Act. The members of our Compensation Committee are Ms. Rodriguez (chairperson), and Messrs. Dumont, Cannon, and Allen.

Mr. Allen has been deemed not to meet the definition of an independent director as defined in Rule 5605(a)(2) because he owns a 20% interest in and is the Managing Member of SLVH LLC, ("SLVH"). SLVH is the Managing Member of LVH Holdings LLC ("LVH") and the Company, through its wholly owned subsidiary Gaucho Ventures I – Las Vegas, LLC ("GVI") holds a minority membership interest in LVH. Please see Item 13 for additional information.

The Board of Directors has, under exceptional and limited circumstances, determined that Mr. Allen's membership on the Compensation Committee is required by the best interests of the Company and its stockholders because of his extensive experience in the leisure, hospitality, and food service industry and public company experience as an officer and director. Pursuant to Rule 5605(d)(2)(B), Mr. Allen may not serve longer than two years on the Compensation Committee and his term on the Compensation Committee will expire on or before July 21, 2023.

The compensation of our CEO and our CFO, Mr. Mathis and Ms. Echevarria, must be determined by the Compensation Committee and the CEO and CFO may not be present during voting or deliberations for their compensation.

The Compensation Committee is also responsible for making recommendations to the Board of Directors regarding the compensation of other executive officers, to review and administer our Company's equity compensation plans, to review, discuss, and evaluate at least annually the relationship between risk management policies and practices and compensation, as well as oversee the Company's engagement with stockholders and proxy advisors.

Nasdaq Rule 5605(d)(3) provides that the Compensation Committee may (in its discretion, not Board discretion) retain compensation consultants, independent legal counsel, and other advisors. The independent directors acting as the compensation committee may decide to do so. Our Compensation Committee Charter, as amended, is available at our website: <https://ir.gauchoholdings.com/governance-docs>.

The Company does not allow employees, officers, or directors, or any of their designees, to purchase financial instruments or otherwise engage in transaction that hedge or offset, or are designed to hedge or offset, any decrease in the market value of the Company’s securities.

Stockholder Communications to the Board

Stockholders who are interested in communicating directly with members of the Board, or the Board as a group, may do so by writing directly to the individual Board member c/o Secretary, Gaucho Group Holdings, Inc., 112 NE 41st Street, Suite 106, Miami, Florida 33137. The Company’s Secretary will forward communications directly to the appropriate Board member. If the correspondence is not addressed to the particular member, the communication will be forwarded to a Board member to bring to the attention of the Board. (1) On September 28, 2015, we entered into a new employment agreement with Scott Mathis, our CEO (the “Employment Agreement”). Among other things, the agreement provides for a three-year term of employment at an annual salary of \$401,700 (subject to a 3% cost-of-living adjustment per year), bonus eligibility, paid vacation and specified business expense reimbursements. The agreement sets limits on the Mr. Mathis’ annual sales of GGH common stock. Mr. Mathis is subject to a covenant not to compete during the term of the agreement and following his termination for any reason, for a period of twelve months. Upon a change of control (as defined by the agreement), all of Mr. Mathis’ outstanding equity-based awards will vest in full and his employment term resets to two years from the date of the change of control. Following Mr. Mathis’ termination for any reason, Mr. Mathis is prohibited from soliciting Company clients or employees for one year and disclosing any confidential information of GGH for a period of two years. The agreement may be terminated by the Company for cause or by the CEO for good reason, in accordance with the terms of the agreement. The Employment Agreement, as amended and approved by independent members of the Board of Directors, expires on June 30, 2022. All other terms of the Employment Agreement remain the same.

(2) Represents the grant date full fair value of a real estate lot granted to Scott Mathis, our CEO, in connection with a retention bonus. On March 29, 2020, the Board of Directors entered into an employment retention bonus agreement with Mr. Mathis, which offered him a retention bonus in recognition for his continued service with GGH for an additional three years. The retention bonus consists of the real estate lot on which Mr. Mathis has been constructing a home at Algodon Wine Estates, to vest in one-third increments over the next three years (the “Retention Period”), provided Mr. Mathis’s performance as an employee with the Company continues to be satisfactory, as deemed by the Board of Directors. Mr. Mathis is eligible to receive a pro-rata portion of the retention bonus if his employee is terminated by GGH prior to the last day of the Retention Period.

3) Maria Echevarria was appointed Chief Financial Officer, Chief Operating Officer, Secretary and Compliance Officer effective April 13, 2015.

The Compensation Committee is charged with reviewing and approving the terms and structure of the compensation of the Company’s executive officers. Please see “*Compensation Committee*” above at page 22 for details on the Company’s Compensation Guidelines.

The Compensation Committee considers various factors when evaluating and determining the compensation terms and structure of its executive officers, including the following:

1. The executive's leadership and operational performance and potential to enhance long-term value to the Company's stockholders;
2. The Company's financial resources, results of operations, and financial projections;
3. Performance compared to the financial, operational and strategic goals established for the Company;
4. The nature, scope and level of the executive's responsibilities;
5. Competitive market compensation paid by other companies for similar positions, experience and performance levels; and
6. The executive's current salary, the appropriate balance between incentives for long-term and short-term performance.

Company management is responsible for reviewing the base salary, annual bonus and long-term compensation levels for other Company employees, and the Company expects this practice to continue going forward. The entire Board of Directors remains responsible for significant changes to, or adoption, of new employee benefit plans.

The Company believes that the compensation environment for qualified professionals in the industry in which we operate is highly competitive. In order to compete in this environment, the compensation of our executive officers is primarily comprised of the following four components:

- Base salary;
- Stock option awards and/or equity based compensation;
- Discretionary cash bonuses; and
- Other employment benefits.

Base Salary. Base salary, paid in cash, is the first element of compensation to our officers. In determining base salaries for our key executive officers, the Compensation Committee aims to set base salaries at a level it believes enables us to hire and retain individuals in a competitive environment and to reward individual performance and contribution to our overall business goals. The Compensation Committee believes that base salary should be relatively stable over time, providing the executive a dependable, minimum level of compensation, which is approximately equivalent to compensation that may be paid by competitors for persons of similar abilities. The Compensation Committee believes that base salaries for our executive officers (not including our chief executive officer) are appropriate for persons serving as executive officers of public companies similar in size and complexity similar to the Company.

On September 28, 2015, we entered into an employment agreement with Scott Mathis, our CEO. For a description of the agreement terms, please see "Employment Agreements" at pages 23 and 25. The Company's other executive officer, Ms. Echevarria, does not have a written employment agreement but receives a base salary as noted above, believed to be in accordance with industry standards and norms.

Stock Option Plan Benefits – Each of the Company's executive officers is eligible to be granted awards under the Company's equity compensation plans. The Compensation Committee believes that equity-based compensation helps align management and executives' interests with the interests of our stockholders. Our equity incentives are also intended to reward the attainment of long-term corporate objectives by our executives. The Compensation Committee also believes that grants of equity-based compensation are necessary to enable us to be competitive from a total remuneration standpoint. At the present time, we have two equity incentive plans for our management and employees. The first is the 2016 Equity Incentive Plan, and the second is the 2018 Equity Incentive Plan. Almost all shares of common stock reserved for issuance in connection with awards under the 2016 Equity Incentive Plan have been or were utilized in conjunction with existing, expired or cancelled awards of stock options. The Company will not issue any additional options under the 2016 Equity Incentive Plan. As of March 31, 2022, there are a total of 1,585,762 shares of common stock that are reserved and available for issuance in connection with awards under the 2018 Equity Incentive Plan.

We have no set formula for granting awards to our executives or employees. In determining whether to grant awards and the amount of any awards, we take into consideration discretionary factors such as the individual's current and expected future performance, level of responsibilities, retention considerations, and the total compensation package.

The Company has granted each of its executive officers stock options, as outlined below.

Discretionary Annual Bonus. Discretionary cash bonuses are another prong of our compensation plan. The Board of Directors believes that it is appropriate that executive officers and other employees have the potential to receive a portion of their annual cash compensation as a cash bonus to encourage performance to achieve key corporate objectives and to be competitive from a total remuneration standpoint.

We have no set formula for determining or awarding discretionary cash bonuses to our other executives or employees. In determining whether to award bonuses and the amount of any bonuses, we have taken and expect to continue to take into consideration discretionary factors such as the individual's current and expected future performance, level of responsibilities, retention considerations, and the total compensation package, as well as the Company's overall performance including cash flow and other operational factors.

Pursuant to his employment agreement, Scott Mathis, our CEO, is eligible to receive a discretionary cash bonus, to be determined by the Board of Directors. For a description of the agreement terms, please see "Employment Agreements" at pages [23] and [25].

Other Compensation/Benefits. Another element of the overall compensation is through providing our executive officers various employment benefits, such as the payment of health and life insurance premiums on behalf of the executive officers. Our executive officers are also eligible to participate in our 401(k) plan on the same basis as other employees and the Company historically has made matching contributions to the 401(k) plan, including for the benefit of our executive officers.

Employment Agreements

We have entered into an employment agreement with the Company's Chief Executive Office, Scott L. Mathis.

Scott Mathis - On September 28, 2015, the Company entered into an employment agreement with Scott Mathis, the Company's CEO (the "Employment Agreement"). Among other things, the agreement provided for a three-year term of employment at an annual salary of \$401,700 (subject to a 3% cost-of-living adjustment per year), bonus eligibility, paid vacation and specified business expense reimbursements. The agreement sets limits on Mr. Mathis' annual sales of GGH common stock. Mr. Mathis is subject to a covenant not to compete during the term of the agreement and following his termination for any reason, for a period of twelve months. Upon a change of control (as defined by the agreement), all of Mr. Mathis' outstanding equity-based awards will vest in full and his employment term resets to two years from the date of the change of control. Following Mr. Mathis' termination for any reason, Mr. Mathis is prohibited from soliciting Company clients or employees for one year and disclosing any confidential information of GGH for a period of two years. The agreement may be terminated by the Company for cause or by the CEO for good reason, in accordance with the terms of the agreement. The Board of Directors extended the Employment Agreement on various dates such that as of July 5, 2021 the Employment Agreement, as amended, expires on October 31, 2021. All other terms of the Employment Agreement remain the same. The Board of Directors also approved the payment of Mr. Mathis' cost of living salary adjustment of 3% for the years 2019 and 2020 to be paid in equal monthly installments beginning January 1, 2021, provided the Company has uplisted to a national stock exchange. The Board of Directors granted a retention bonus to Mr. Mathis that consists of the real estate lot on which Mr. Mathis has been constructing a home at Algodon Wine Estates, to vest in one-third increments over the next three years (the "Retention Period"), provided Mr. Mathis's performance as an employee with the Company continues to be satisfactory, as deemed by the Board of Directors. The current market value of the lot is \$115,000, and before ownership of the lot can be transferred to Mr. Mathis, the Company must be legally permitted to issue a deed for the property. Mr. Mathis is eligible to receive a pro-rata portion of the bonus if his employment is terminated before the end of the Retention

Period.

Due to economic circumstances related to the global coronavirus outbreak 2019 (COVID-19), on March 13, 2020, Mr. Mathis voluntarily deferred payment of 85% of his salary through August 21, 2020. The Company is accruing all compensation not paid to Mr. Mathis pursuant to his employment agreement until the Company has sufficient funds to pay his full compensation. Between August 26, 2020 and October 14, 2020, the Company paid out \$141,812 which was owed to Mr. Mathis in connection with his deferred compensation. During December, Mr. Mathis voluntarily deferred an additional \$24,328 of his salary. The balance owed to Mr. Mathis as of December 31, 2020 is \$58,001, which was paid in full on April 7, 2021.

28

Frequency of the Advisory Vote on Executive Compensation

At the 2017 Annual Meeting of Stockholders, the Board of Directors included an advisory stockholder vote regarding named executive officer compensation every three years. The next required advisory vote regarding the frequency of an advisory vote on named executive officer compensation will be at the 2023 Annual Meeting of Stockholders.

Risks of Compensation Programs

The Company's equity-based compensation is performance based in that the issued stock options become valuable as the stockholders' returns (measured by stock price) increase. Furthermore, in all cases, options granted to the Company's employees are time-based vesting. The Company believes that this vesting, coupled with the internal controls and oversight of the risk elements of its business, have minimized the possibility that the compensation programs and practices will have a material adverse effect on the Company and its financial, and operational, performance.

As described above, the Board of Directors has general oversight responsibility with respect to risk management and exercises appropriate oversight to ensure that risks are not viewed in isolation and are appropriately controlled. The Company's compensation programs are designed to work within this system of oversight and control, and the Board considers whether these compensation programs reward reasonable risk-taking and achieve the proper balance between the desire to appropriately reward employees and protecting the Company.

At the Annual Meeting a vote will be taken on a proposal to approve the election of the two (2) Class I director nominees.

29

PROPOSAL NO. 1 ELECTION OF DIRECTORS

The Board currently consists of seven (7) directors divided into three classes. On July 8, 2019, the stockholders approved an amendment to the Company's bylaws to create a staggered board of directors. On July 1, 2022, the Board, upon the recommendation of the Nominating Committee, voted to reduce the number of directors from seven (7) to five (5) effective as of the Annual Meeting.

Delaware law permits, but does not require, a classified or staggered board of directors, pursuant to which the directors can be divided into as many as three classes with staggered terms of office, with one class of directors standing for election each year. As a classified board, a certain number, but not all, of the directors of our Board of Directors will be elected each year.

Article V, Section A of the Company's Amended and Restated Certificate of Incorporation (the "**Certificate**"), states that the number of directors shall be fixed from time to time in the manner provided in the bylaws and may be increased or decreased from time to time in the manner provided in the bylaws; provided that the number shall be not less than two, nor more than nine. Pursuant to Article III, Section A of the Company's Amended and Restated Bylaws, as amended July 8, 2019 (the "**Bylaws**"), the number of directors will be fixed from time to time exclusively by resolutions adopted by the Board of Directors of the Company.

Pursuant to a written consent date June 30, 2022, the Nominating Committee determined that in light of the economic conditions of the Company, including the low stock price and lack of cash flow and revenues, it was in the best interests of the Company to reduce the number of members of the Board from seven to five members.

At a meeting of the Board of Directors on July 1, 2022, a majority of the members of the Board of Directors, upon the recommendation of the Nominating Committee, voted to reduce the number of directors on the Board from seven to five effective as of the Annual Meeting

As a result of this reduction, only two (2) of the previous four (4) Class I Directorships will continue after the Annual Meeting.

On July 1, 2022, a majority of the Board of Directors, upon the recommendation of the Nominating Committee, nominated Reuben Cannon and Marc Dumont for re-election as Class I directors, to be elected at the 2022 Annual Meeting to serve a three-year term until the 2025 annual meeting of stockholders, or until their respective successors, if any, are duly elected and qualified.

There are no family relationships between or among any of our executive officers, directors or nominees for director.

Dr. Moel and Ms. Rodriguez, Class I Directors whose terms expire at the Annual Meeting, will not continue as Class I directors, unless nominated and re-elected by a plurality of votes cast.

Mr. Mathis (Class III Director) and Mr. Allen (Class III Director) will continue to serve as directors until their re-election at the 2023 annual stockholder meeting, and Mr. Lawrence (Class II Director) will continue to serve until his re-election at the 2024 annual stockholder meeting.

Required Vote

In accordance with Delaware law, the directors will be elected by a plurality of votes cast at the Annual Meeting. As a result, abstentions and broker non-votes will have no effect on this proposal.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” REUBEN CANNON AND MARC DUMONT AS CLASS I DIRECTORS

PROPOSAL NO. 2 APPROVAL OF REVERSE STOCK SPLIT

The Company’s common stock (\$0.01 par value, 150,000,000 shares authorized, referred to herein as the “Common Stock”) is currently listed on the Nasdaq Capital Market (“Nasdaq”). To comply with Nasdaq’s continued listing requirements, the Company’s Common Stock must maintain a bid price of at least \$1.00 per share. On July 1, 2022, the Common Stock closed at \$0.6328 per share.

If the Common Stock closes below the minimum \$1.00 per share requirement for 30 consecutive business days, Nasdaq will notify the Company of its noncompliance, and the Company will have 180 calendar days to regain compliance. If compliance cannot be demonstrated by the end of the 180-day period, the Common Stock may be subject to delisting.

The Board of Directors believes that a reverse stock split will increase the price per share of the Common Stock and assist in meeting the price per share requirements for maintaining Nasdaq listing.

Therefore, the Board recommends that the stockholders grant the Board the discretion, on or before June 30, 2023, to complete a reverse stock split of all the outstanding shares of GGH’s Common Stock at an exchange ratio ranging from one post-split share for two pre-split shares (1:2) up to one post-split share for twenty pre-split shares (1:20), or anywhere between those ratios, at the Board’s discretion (the “Reverse Stock Split”) and approve an amendment to Article IV of GGH’s Amended and Restated Certificate of Incorporation to effect such Reverse Stock Split. The Board may only effect the Reverse Stock Split if its deems it to be reasonably necessary for maintaining listing on Nasdaq. The Board based the wide stock split ratio on the closing price of the Company’s shares as of July 1, 2022, which was \$0.633, and to give it flexibility in determining the most conservative stock split ratio possible that will still meet the price per share requirements necessary to prevent delisting.

Except for adjustments that may result from the treatment of fractional shares, which will be rounded up to the nearest whole number, each stockholder will beneficially hold the same percentage of Common Stock immediately following the Reverse Stock Split as such stockholder held immediately prior to the Reverse Stock Split. Also, proportionate adjustments will be made to the per-share exercise price and the number of shares covered by outstanding options and warrants to buy Common Stock, so that the total prices required to be paid to fully exercise each option and warrant before and after the Reverse Stock Split will be approximately equal.

The Board does not intend as part of the Reverse Stock Split to reduce the amount of the Company’s authorized shares of Common Stock. As of July 7, 2022, the Company has a total of 150,000,000 shares of Common Stock authorized and 17,256,335 shares issued, leaving 132,743,665 shares available for issuance, not including shares reserved for issuance upon exercise of warrants or options, or any other convertible security. If Proposal No. 2 is approved, the number of unissued, available authorized shares of Common Stock will increase, as reflected in the following table as if the Reverse Stock Split were to occur on July 7, 2022:

Ratio	Authorized	Issued pre- Reverse Stock Split*	Issued post- Reverse Stock Split**	Increase in post- Reverse Stock Split Shares Available for Issuance*
1:2	150,000,000	17,256,335	8,628,168	141,371,833
1:5	150,000,000	17,256,335	3,451,267	146,548,733
1:10	150,000,000	17,256,335	1,725,634	148,274,367
1:15	150,000,000	17,256,335	1,150,422	148,849,578
1:20	150,000,000	17,256,335	862,817	149,137,183

*Does not reflect shares reserved for issuance upon exercise of warrants or options, or any other convertible security.

**For purposes of this illustration, fractional shares are rounded.

31

The increase in the number of shares of Common Stock available for issuance and any subsequent issuance of such shares could have the effect of delaying or preventing a change in control of GGH without further action by the stockholders. The Board is not aware of any attempt to take control of GGH and has not presented this proposal with the intention that the Reverse Stock Split be used as a type of antitakeover device. Any additional common stock, when issued, would have the same rights and preferences as the shares of common stock presently outstanding.

Additional Reasons for the Reverse Stock Split

In addition to the achievement of a stock price required for listing on a national exchange, there are other reasons the Board believes the Reverse Stock Split will be beneficial to GGH. One is that the Board believes that the increased market price of the Common Stock expected as a result of implementing the Reverse Stock Split will improve the marketability of the Common Stock and will encourage interest and trading in the Common Stock by brokerage houses and institutions that are not currently able or willing to trade the Common Stock. Because of the trading volatility often associated with low-priced stocks, many potential investors have internal policies and practices that either prohibit them from investing in low-priced stocks or that tend to discourage individual brokers from recommending low-priced stocks to their customers. In addition, low-priced stocks not listed on an exchange are subject to the additional broker-dealer disclosure requirements and restrictions found in SEC Rule 15c-6.

It should be noted that the liquidity of the Common Stock may be adversely affected by the Reverse Stock Split given the reduced number of shares that would be outstanding after the Reverse Stock Split. The Board anticipates, however, that the expected higher market price and (if successful) exchange listing will mitigate, to some extent, the effects on the liquidity through the anticipated increase in marketability discussed above.

The Board understands that there is a risk that the market price for the Common Stock may not react proportionally to the Reverse Stock Split. For example, if GGH accomplishes a 1:20 Reverse Stock Split at a time when the market price is \$0.20 per share, there can be no assurance that the resulting market price will thereafter remain at or above \$4.00 per share.

The Board confirms that the contemplated reverse stock split is not and will not be the first step in a series of plans or proposals of a “going private transaction” within the meaning of Rule 13e-3 of the Exchange Act.

Based upon the foregoing factors and understanding the risks, the Board has determined that the Reverse Stock Split is in the best interests of the Company and its stockholders.

Required Vote

In accordance with Delaware law, approval of Proposal No. 3 requires the affirmative vote of a majority of the shares of common stock outstanding and entitled to vote on this proposal at the Annual Meeting. As a result, abstentions will have the same effect as votes against this proposal and broker non-votes will have no effect on this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” GRANTING THE BOARD OF DIRECTORS DISCRETION (IF NECESSARY TO MAINTAIN LISTING OF GGH’S COMMON STOCK ON NASDAQ) ON OR BEFORE JUNE 30, 2023, TO IMPLEMENT A REVERSE STOCK SPLIT OF THE OUTSTANDING SHARES OF COMMON STOCK IN A RANGE FROM ONE-FOR-TWO (1:2) UP TO ONE-FOR-TWENTY (1:20), OR ANYWHERE BETWEEN, WHILE MAINTAINING THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK.

**PROPOSAL NO. 3
APPROVAL OF AN AMENDMENT TO THE COMPANY’S 2018 EQUITY INCENTIVE PLAN TO
ALLOW FOR UP TO 25% OF THE COMPANY’S FULLY DILUTED AND OUTSTANDING
COMMON STOCK TO BE AWARDED UNDER THE PLAN**

The Board of Directors recommends that the Company amend its 2018 Equity Incentive Plan to increase the number of shares of common stock available for awards to 25% of the outstanding common stock on a fully diluted basis as of the date of this stockholder approval. At the present time, the Company has two equity incentive plans for management and employees. The first is the 2016 Equity Incentive Plan, and the second is the 2018 Equity Incentive Plan (the “2018 Plan”). Almost all shares of common stock reserved for issuance in connection with awards under the 2016 Equity Incentive Plan have been or were utilized in conjunction with existing, expired or cancelled awards of stock options. The Company will not issue any additional options under the 2016 Equity Incentive Plan.

On August 28, 2019, the Company increased its number of shares available under the 2018 Plan to 5,946,933 shares of common stock (396,462 shares on a post-split basis) with an automatic increase on January 1 of each year by the amount equal to 2.5% of the total number of shares outstanding on a fully diluted basis. On January 1, 2020, the number of authorized shares under the plan was increased by 1,733,708 as a result of the automatic increase. On January 1, 2021, the number of authorized shares under the plan was increased by 356,128 on a post-split basis as a result of the automatic increase. At the 2021 Annual Stockholder Meeting held on August 26, 2021, the number of authorized shares under the plan was increased again to 15% of the Company’s fully diluted and outstanding common stock as of the August 26, 2021. Currently, a total of 2,022,779 shares are authorized under the 2018 Plan. As of March 31, 2022, a total of 1,585,762 shares are available under the 2018 Plan for awards.

The Company now desires to increase the number of authorized shares of common stock under the plan to 25% of the outstanding common stock on a fully diluted basis as of the date of stockholder approval, in addition to the automatic increase that has occurred on January 1, 2022 and that will occur on January 1, 2023. **The increase is a one-time increase in number of shares available under the 2018 Plan. This means that if the stockholders approve this Proposal No. 3, the shares available under 2018 Plan will be increased to 25% of the outstanding common stock on a fully diluted basis as of the date of stockholder approval, but no other increases in the number shares available under the 2018 Plan, other than the existing 2.5% automatic increase, will occur without stockholder approval.**

The primary goal of the amendment to the 2018 Plan is to provide the company with a sufficient reserve of common stock to offer appropriate incentives to Company employees, directors and consultants. The following table shows, for each name executive officer and director, the total number of shares of Company common stock subject to stock awards that have been granted under the 2016 Equity Incentive Plan and the 2018 Plan since both plans have been effective through March 31, 2022:

Officer/Director Name:	Number of Options:
Scott Mathis	312,217
Maria Echevarria	22,335
Peter Lawrence	36,669
Steven Moel	16,002
Rueben Cannon	7,667
Marc Dumont	13,335
Eddie Rodriguez	6,667
William Allen	0

Additionally, the following table provides other information regarding the 2018 Equity Incentive Plan:

	As of March 31, 2022
Total stock options outstanding	437,017
Total shares available for grant	1,585,762

Required Vote

In accordance with Delaware law, approval of Proposal No. 3 requires the affirmative vote of a majority of the shares of common stock present or represented by proxy and entitled to vote on this proposal at the Annual Meeting. As a result, abstentions will have the same effect as votes against this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF AN AMENDMENT TO THE COMPANY’S 2018 EQUITY INCENTIVE PLAN TO ALLOW FOR UP TO 25% OF THE COMPANY’S FULLY DILUTED AND OUTSTANDING COMMON STOCK TO BE AWARDED UNDER THE PLAN.

**PROPOSAL NO. 4
TO APPROVE FOR PURPOSES OF COMPLYING WITH NASDAQ LISTING RULE 5635(D), THE
ISSUANCE OF SHARES OF UP TO 15,000,000 OF THE COMPANY’S COMMON STOCK UPON
THE CONVERSION OF CONVERTIBLE PROMISSORY NOTES ISSUED IN A PRIVATE
PLACEMENT, WITHOUT GIVING EFFECT TO NASDAQ’S 19.99% EXCHANGE CAP.**

In order to raise additional capital for the Company, the Board intends to complete a private placement of 7.0% convertible promissory notes in an aggregate principal amount of up to \$3.0 million (or \$6,000,000 in total assuming full exercise of the warrants) pursuant to Rule 506(b) of the Securities Act of 1933, as amended (the “PP Notes”). Conditional upon the stockholders’ approval of this Proposal No. 4, the PP Notes will be mandatorily convertible into units, with each unit being comprised on one share of the

Company's common stock, and one warrant to purchase one share of the Company's common stock. We anticipate that the Company will issue no more than 15,000,000 shares, taking into account each share, each share received upon exercise of the warrant, and interest accruing. The conversion price of the PP Notes will be equal to the lesser of: (a) \$0.55 per unit; and (b) the three-day volume weighted average closing price ("VWAP") the Company's common stock beginning on the date of stockholder approval. Each warrant will be exercisable at the same price per share as determined above.

Why does the Company need Stockholder Approval?

Our common stock is listed on The Nasdaq Capital Market and, as such, we are subject to the Nasdaq Stock Market Rules. Nasdaq Stock Rule 5635(d) is referred to as the "Nasdaq 20% Rule." In order to comply with the Nasdaq 20% Rule, we are seeking stockholder approval to permit the potential issuance of more than 20% of our outstanding common stock.

The Nasdaq 20% Rule requires that an issuer obtain stockholder approval prior to certain issuances of common stock or securities convertible into or exchangeable for common stock at a price less than the greater of market price or book value of such securities (on an as exercised basis) if such issuance equals 20% or more of the common stock or voting power of the issuer outstanding before the transaction.

Upon the conversion of the PP Notes and assuming the exercise of all warrants, the Company will be required to issue approximately 15,000,000 shares of the Company's common stock, which would represent approximately []% of the _____ shares of common stock issued and outstanding on the date such PP Notes were granted plus accrued interest.

To meet the Nasdaq 20% rule, we need stockholder approval under the listing rules of Nasdaq to permit the potential issuance of more than 20% of our outstanding common stock in accordance with the terms of the PP Notes.

What is the Effect on Current Stockholders if the Proposal is Approved?

If our stockholders approve this proposal, we will be able to require the conversion of the PP Notes, and issue up to 15,000,000 shares of common stock convertible under the PP Notes assuming the exercise of all warrants, which would exceed 20% of our issued and outstanding shares of common stock as of the date we issued the PP Notes. If stockholders approve the Nasdaq 20% Issuance proposal, the rights or privileges of our existing stockholders will not be affected, except that the economic and voting interests of each of our existing stockholders may be significantly diluted. Although the number of shares of our common stock that our existing stockholders own will not decrease, the shares of our common stock owned by our existing stockholders will represent a smaller percentage of our total outstanding shares of our common stock after any such issuance.

What is the Effect on Current Stockholders if the Proposal is NOT Approved?

We are not seeking the approval of our stockholders to authorize the commencement of the private placement or the issuance of the PP Notes. The failure of our stockholders to approve the proposal will not cancel the PP Notes. The PP Notes will instead become a straight debt of the Company, and if Proposal 4 is not approved by our stockholders, we will be required to repay our obligations under the PP Notes in cash, rather than by the conversion of the PP Notes into our shares of common stock.

Our ability to successfully implement our business plans and ultimately generate value for our stockholders is dependent upon our ability to raise capital and satisfy our ongoing business needs. If we are required to repay our obligations under the PP Notes in cash rather than shares of common stock, we may not have the capital necessary to fully satisfy our ongoing business needs, the effect of which would adversely impact future operating results, and result in a delay in our business plans. Additionally, it may be necessary for the Company to acquire additional financing in order to repay the obligations under the PP Notes in cash, which may result in additional transaction expenses.

Required Vote

In accordance with Delaware law, approval of Proposal No. 4 requires the affirmative vote of a majority of the shares of common stock present or represented by proxy and entitled to vote on this proposal at the Annual Meeting. As a result, abstentions will have the same effect as votes against this proposal.

THE DISINTERESTED DIRECTORS OF THE COMPANY UNANIMOUSLY RECOMMEND A VOTE "FOR" THE ISSUANCE OF SHARES OF UP TO 15,000,000 OF THE COMPANY'S COMMON STOCK UPON THE CONVERSION OF CONVERTIBLE PROMISSORY NOTES ISSUED IN A PRIVATE PLACEMENT, TO EXCEED THE NASDAQ 20% RULE.

PROPOSAL NO. 5 APPROVAL OF UP TO 10,000,000 SHARES OF THE COMPANY'S COMMON STOCK ISSUABLE PURSUANT TO THE PURCHASE AGREEMENT, NOTES, AND REGISTRATION RIGHTS AGREEMENT.

General Information About the Securities Purchase Agreement

On November 3, 2021, the Company entered into a Securities Purchase Agreement (the "Purchase Agreement") with 3i, LP, Nomis Bay, Ltd., and BPY Limited (collectively, the "Investors"). On November 9, 2021, pursuant to the terms of the Purchase Agreement, the Company sold to the Investors a series of senior secured convertible notes of the Company, in the aggregate original principal amount of \$6,480,000 (the "Notes"), which Notes are convertible into shares of common stock of the Company at a conversion price of \$3.50 (subject to adjustment). The Notes are due and payable on November 9, 2022, and bear interest at a rate of 7% per annum, which shall be payable in cash quarterly in arrears on each Amortization Date (as defined in the Notes) or otherwise in accordance with the terms of the Notes. The Investors are entitled to convert any portion of the outstanding and unpaid Conversion Amount (as defined in the Notes) at any time or times on or after issuance, but the Company may not effect the conversion of any portion of the Notes if it would result in any of the selling stockholders beneficially owning more than 4.99% of the common stock of the Company (as calculated pursuant to Section 13(d) of the Securities Exchange Act of 1934, as amended, and Rule 13d-3 thereunder).

The Company and the Investors executed the Purchase Agreement in reliance upon the exemption from securities registration afforded by Section 4(a)(2) of the Securities Act of 1933, as amended (the "1933 Act"), and Rule 506(b) of Regulation D as promulgated by the Securities and Exchange Commission under the 1933 Act.

The Notes rank senior to all outstanding and future indebtedness of the Company and its subsidiaries, and are secured by all existing and future assets of the Company, as evidenced by the Security and Pledge Agreement entered into between the Company and the Investors on November 9, 2021 (the "Security Agreement"). Additionally, Scott L. Mathis, President and CEO of the Company, pledged certain of his shares of Common Stock and certain options to purchase common stock of the Company as additional collateral under the Notes, as evidenced by the Stockholder Pledge Agreement between the Company, Mr. Mathis and the Investors, dated on or about November 9, 2021 (the "Pledge Agreement").

In connection with the foregoing, the Company entered into a Registration Rights Agreement with the Investors on November 9, 2021 (the "Registration Rights Agreement"), pursuant to which the Company agreed to provide certain registration rights with respect to the Registrable Securities (as defined in the Registration Rights Agreement) under the Securities Act of 1933 (the "1933 Act") and the rules and regulation promulgated thereunder, and applicable state securities laws. The Purchase Agreement and the Registration Rights Agreement contain customary representations, warranties, conditions and indemnification obligations of the parties. The representations, warranties and covenants contained in such agreements were made only for purposes of such agreements and as of specific dates, were solely for the benefit of the parties to such agreements and may be subject to limitations agreed upon by the contracting parties.

EF Hutton, division of Benchmark Investments, Inc. (“EF Hutton”), acted as the exclusive placement agent in connection with the transactions contemplated by the Purchase Agreement, for which the Company paid to EF Hutton a cash placement fee equal to 6.0% of the amount of capital raised, invested, or committed under the Purchase Agreement and Note.

On January 11, 2022, pursuant to the terms of the Registration Rights Agreement, we filed a Registration Statement (the “Registration Statement”) under which we registered 12,164,312 shares of our Common Stock – the maximum number of shares of common stock issued or issuable pursuant to the Notes, including payment of interest on the notes through November 9, 2022, without regard to any limitations on conversion, at the floor price of \$0.57 (the conversion price applicable upon an event of default).

Under the applicable rules of The Nasdaq Stock Market LLC (“Nasdaq”), in no event may we issue any shares of Common Stock upon conversion of the Notes or otherwise pursuant to the terms of the Notes if the issuance of such shares of common stock would exceed 19.99% of the shares of the Common Stock outstanding immediately prior to the execution of the Purchase Agreement and Notes (the “Exchange Cap”), unless we (i) obtain stockholder approval to issue shares of common stock in excess of the Exchange Cap or (ii) obtain a written opinion from our counsel that such approval is not required. In any event, we may not issue any shares of our common under the Purchase Agreement or Notes if such issuance or sale would breach any applicable rules or regulations of the Nasdaq.

At the January 25, 2022 Special Meeting of Stockholder, in order to comply with the Nasdaq 20% Rule (defined below), the Company approved the issuance of up to 12,164,312 shares of our Common Stock pursuant to the terms of the Purchase Agreement and Notes.

The information set forth in this Proposal 5 is qualified in its entirety by reference to the full text of the Purchase Agreement, Notes, Pledge Agreement, and Registration Rights Agreement attached as Exhibits 10.1, 10.2, 10.3, and 10.5 to our Current Report on Form 8-K filed with the SEC on November 8, 2021.

Conversion of Notes Issued Pursuant to the Securities Purchase Agreement

On February 22, 2022, the Company entered into an exchange agreement (the “Exchange Agreement”) with the Holders in order to amend and waive certain provisions of the Note Documents and exchange \$100 in aggregate principal amount of each of the Notes.

In addition, the Company and the Holders entered into a letter agreement (the “Letter Agreement #1”) pursuant to which the parties agreed to reduce the Conversion Price from \$3.50 to \$1.35 for the period beginning May 2, 2022 through May 13, 2022 (the “Reduced Price Conversion Period”).

On May 12, 2022, the Company and the Holders entered into a letter agreement (the “Letter Agreement #2”) pursuant to which the parties agreed to reduce the Conversion Price to \$0.95 and the Holders have committed to converting up to 4.90% of the outstanding shares of common stock of the Company.

On July 1, 2022, the Company and the Holders entered into a third letter agreement (the “Letter Agreement #3”) pursuant to which the parties agreed to reduce the Conversion Price to \$0.30 for the Trading Days of July 5, 2022, through and inclusive of September 5, 2022. Any conversion which occurs shall be voluntary at the election of the Holder.

The Note Documents, Exchange Agreement, Letter Agreement #1, Letter Agreement #2, and Letter Agreement #3 are referred to herein as the Transaction Documents. For the full description of the Transaction Documents, please refer to our Current Reports on Forms 8-K and the exhibits attached thereto as filed with the SEC on November 8, 2021, March 1, 2022, May 2, 2022, and May 13, 2022.

As explained further above, in our Registration Statement filed on January 11, 2022, we registered 12,164,312 shares of our common stock, which was the maximum number of shares issuable upon conversion of the Notes based on the floor price of \$0.57 per share. However, pursuant to the Letter Agreement #3, we reduced the conversion price of the Notes \$0.30 per share. As a result of this decrease in conversion price, the aggregate number of shares that the Company may issue upon conversion of the Notes may exceed 12,164,312.

In order to issue more than 12,164,312 pursuant to the Securities Purchase Agreement, we must amend the Registration Statement to increase the number of shares registered.

Why does the Company need Stockholder Approval?

Our common stock is listed on The Nasdaq Capital Market and, as such, we are subject to the Nasdaq Stock Market Rules. Nasdaq Stock Rule 5635(d) is referred to as the “Nasdaq 20% Rule.” In order to comply with the Nasdaq 20% Rule and to satisfy conditions under the Purchase Agreement, we are seeking stockholder approval for elimination of the Exchange Cap to permit the potential issuance of more than 20% of our outstanding common stock in accordance with the Purchase Agreement.

The Nasdaq 20% Rule requires that an issuer obtain stockholder approval prior to certain issuances of common stock or securities convertible into or exchangeable for common stock at a price less than the greater of market price or book value of such securities (on an as exercised basis) if such issuance equals 20% or more of the common stock or voting power of the issuer outstanding before the transaction.

While we previously obtained stockholder approval to issue shares in excess of the Exchange Cap pursuant to the Securities Agreement, we only obtained approval to issue up to 12,164,312 shares of our common stock.

Given that we may now be required to issue more than 12,164,312 shares upon conversion of the notes, we must again obtain stockholder approval in order to comply with Nasdaq Rule 5635(d).

Because the conversion of the shares underlying the Notes is subject to the discretion of the Investors, the Company cannot guarantee the number of shares that it may issue to the Investors pursuant to the Purchase Agreement. As of July 7, there were 17,252,966 shares of our common stock outstanding. In addition to the 12,164,312 shares already approved by the stockholders and registered for resale, we will register an additional 10,000,000 shares of our common stock for resale pursuant to an amended registration statement on Form S-1, which should cover the maximum number of shares of common stock issued or issuable pursuant to the Notes, including payment of interest on the notes through November 9, 2022 determined as if the outstanding Notes (including interest on the Notes through November 9, 2022) were converted in full (without regard to any limitations on conversion contained therein solely for the purpose of such calculation) at the floor price of \$0.30. After giving effect to Letter Agreement #3, the Company may need to issue up to 17,950,271 shares of common stock upon conversion of the Notes. If all 17,950,271 shares of our common stock that may be convertible were issued and outstanding as of November 9, 2021, such shares would represent approximately 67% of the outstanding shares of common stock held as of November 9, 2021.

To meet the Nasdaq 20% rule, we need stockholder approval under the listing rules of Nasdaq to remove the Exchange Cap provisions in the Purchase Agreement to permit the potential issuance of more than 20% of our outstanding common stock in accordance with the terms of the Purchase Agreement and Notes.

Additionally, we will not issue or sell, and the Investors will not purchase or acquire, any shares of common stock pursuant to the Purchase Agreement which, when aggregated with all other shares of common stock then beneficially owned by each of the Investors and its affiliates (as calculated pursuant to Section 13(d) of the Exchange Act and Rule 13d-3 promulgated thereunder), would result in the beneficial ownership by any of the Investors of more than 4.99% of the outstanding shares of common stock.

What is the Effect on Current Stockholders if the Proposal is Approved?

If our stockholders approve this proposal, we will be able to eliminate the Exchange Cap in the Purchase Agreement and Notes and therefore potentially issue an additional 10,000,000 shares of common stock convertible under the Notes which would exceed 20% of our issued and outstanding shares of common stock as of the date we executed the Purchase Agreement. If stockholders approve the Nasdaq 20% Issuance proposal, the rights or privileges of our existing stockholders will not be affected, except that the economic and voting interests of each of our existing stockholders may be significantly diluted. Although the number of shares of our common stock that our existing stockholders own will not decrease, the shares of our common stock owned by our existing stockholders will represent a smaller percentage of our total outstanding shares of our common stock after any such issuance.

What is the Effect on Current Stockholders if the Proposal is NOT Approved?

We are not seeking the approval of our stockholders to authorize our entry into the Purchase Agreement and related transaction documents, as we have already entered into the Purchase Agreement and related transaction documents, which are binding obligations on us. The failure of our stockholders to approve the proposal will not negate the existing terms of the documents relating to the Purchase Agreement. The Purchase Agreement will remain a binding obligation of the Company. However, if Proposal 5 is not approved by our stockholders, we may be required to repay our obligations under the Purchase Agreements and related transaction documents in cash, rather than by the conversion of the Notes into our shares of Common Stock.

Our ability to successfully implement our business plans and ultimately generate value for our stockholders is dependent upon our ability to raise capital and satisfy our ongoing business needs. If we are required to repay our obligations under the Purchase Agreement in cash rather than Common Stock, we may not have the capital necessary to fully satisfy our ongoing business needs, the effect of which would adversely impact future operating results, and result in a delay in our business plans. Additionally, it may be necessary for the Company to acquire additional financing in order to repay the obligations under the Purchase Agreement in cash, which may result in additional transaction expenses.

If our stockholders do not approve this proposal, we will be required to seek stockholder approval of this proposal again until we receive stockholder approval of this proposal. As such, our failure to obtain stockholder approval of this proposal will require us to incur the costs of holding one or more additional stockholder meetings until we receive such approval.

Required Vote

In accordance with Nasdaq Rule 5635(d), approval of Proposal No. 5 requires the affirmative vote of a majority of the shares of common stock present or represented by proxy and entitled to vote on this proposal at the Special Meeting. As a result, abstentions will have the same effect as votes against this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE ISSUANCE OF AN ADDITIONAL 10,000,000 SHARES OF THE COMPANY’S COMMON STOCK ISSUABLE PURSUANT TO THE PURCHASE AGREEMENT, NOTES, AND REGISTRATION RIGHTS AGREEMENT.

PROPOSAL NO. 6 RATIFICATION OF THE APPOINTMENT OF MARCUM LLP

We are asking our stockholders to ratify the selection of Marcum as our independent registered public accounting firm. The Board considers Marcum to be well qualified to serve as the independent auditors for the Company and Marcum has experience since 2010 in doing so. However, even if the selection is ratified, the Board of Directors in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders. To the Company’s knowledge, a representative from Marcum is not expected to be present at the Annual Meeting.

The Audit Committee may, in its discretion, delegate the authority to pre-approve all audit services and permissible non-audit services to the Chairman of the Audit Committee provided the Chairman reports any delegated pre-approvals to the Audit Committee at the next meeting thereof. Required Vote

In accordance with Delaware law, approval of Proposal No. 6 requires the affirmative vote of a majority of the shares of common stock present or represented by proxy and entitled to vote on this proposal at the Annual Meeting. As a result, abstentions will have the same effect as votes against this proposal.

While we intend to carefully consider the voting results of this proposal, the final vote is advisory in nature and therefore not binding on the Company. However, our Board of Directors values the opinions of all of our stockholders and will consider the outcome of this vote when making future decisions with respect to our auditors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE SELECTION OF MARCUM LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2022.
